The following remarks are called for in the proposition statements--

(1) Columns (3) to (5) and (9) to (11) of the proposition statement should give the minimum pay, the rate of increment and the maximum pay of individual posts. In certain cases the figures entered in Cols. 3 and 9 of the statement represent the minimum pay multiplied by the number of posts on that pay. Similarly in cols. 5 and 11 the maximum of the scale multiplied by the number of posts.

Submitted that Rev. may be requested to revise the statements before they are approved.

(2) In addition to the duffadar on Rs 18-1-23, a

peon on Rs 20-1-25 is shown under the present scale in the Collr's Office, South Kanara. This scale is intended for duffadars in the City. Apparently the pos is that of a muchi. As the class of attenders or muchis on Rs 20--1--25 is to be absorbed in the peon's class, Rev. may be requested to add a para to the draft order to the effect that when the present incumbent vacates the post, it should be replaced by a peon's post on Rs 12 to 17.

(3) Coir Establishment (Lacadives).- The establishment is temporary and it is proposed to omit it from the proposition statement. It is presumed that with ref.to para 2 of G.O.311 Pub. d.13-4-1933 the Board has separately addressed Govt. for fixing the revised scales of pay in these cases.
